I am writing to let you know about our plans for an exciting community week taking place from the 11th to the 15th of September to which you are invited to be involved.

The aim of the week is for student's to work together within their Tutor group to establish and build positive relationships with their peers and their Tutor. In addition students will also have the opportunity to develop their team work and leadership skills.

Each year group will only be involved for one day during the week as follows;

- Year 10 – Tuesday 12th September
- Year 9 – Wednesday 13th September
- Year 8 - Thursday 14th September
- Year 7 - Friday – 15th September

Throughout the course of the day students will be taking part in a number of competitive challenges designed to earn points for their House, including obstacle courses, orienteering, inter-House sports, as well as maths and logic challenges.

Student will need to be in their PE kit for the day, breaks and lunchtime are as normal, as is the start and end times for the day.

Each evening at 6pm we will be hosting a family BBQ and presentation of awards to students who have participated during the day, we would very much love you to join us for this event, an invite and further information will follow in September but please do put the date in your diary.

Meanwhile may I take this opportunity to wish you and your family a wonderful and restful summer.

With very best wishes
