# Weekly Enrichment Programme

Everybody is expected to sign up to at least one club or activity a week

Activities start at 3:15 and finish at 4:15 (unless specified)

Some activities have a small cost, however this should not be a reason for not attending

If you are in year 11 you have P6 on a Monday and Tuesday however that does not mean you can't still take part in another activity too, just not on those days.

Students need to sign up through their Tutor, who will add their name to the register.
