

To Year 6 students,

I am writing to inform you about my time at The Wellington Academy so far.

I moved from a school where none of the other people that went there came to Wellington. As a result of this, I went to the summer school in the first week of the summer holidays. On the first day, I met many new friends and did lots of fun activities. Everyday we did cooking and sport but also a little bit of English and Maths. The theme to my summer school was Charlie and the chocolate factory so everyday we did chocolate challenges and we also went to Cadbury world.

On our first day, we were sat down and then put into our tutor groups. The tutors were very nice and showed us around the school. Although it looks big, it's hard to get lost in the school and even if you do there is always teachers around to show you where to go.

I have settled into this school very well and have competed in lots of PE events such as football games, rugby and lots of inter-school challenges. Also, all the teachers are very nice and will help you if you ask for it. It may seem like you get a lot of a lot of homework but after a few weeks you get used to it. You only get about 3 or 4 pieces a week with about a week to do each piece. The people in the older years may look scary and may be daunting but they aren't really. The school food is also very nice. There are 2 snack bars and a main canteen where you can get breakfast, snack and lunch. You can get foods such as pizza, burgers and chips on Fridays. There are also vegan options and fruit. They are all for a reasonable price.

You will enjoy this school very much!!!

From a Year 7 student

Hello Year 6

Year 7 is fun it's like stepping into a new chapter of your life! It's so interesting and new.

The new building is great. Even if you are in different tutors from your best mate don't worry you will make new friends, I can guarantee that.

Lessons are cool, I like moving around to different lessons.

You will learn loads of new sports in the sports department.

For you book fans the library is Absolute heaven, I got to be a library assistant. There are loads of exciting new opportunities can't wait to see you all!!
