We are required to keep a copy of testing consent/decline forms which are needed for every student. Please can you therefore complete the attached form and **email it to** [consent@thewellingtonacademy.org.uk](mailto:consent@thewellingtonacademy.org.uk) by 31<sup>st</sup> August.

As before, we have a team of testing volunteers in school who have been fully trained. If you are bringing your child into school for their test and are waiting for them before taking them back home, please be aware there may be a short wait if there is a queue.

If you have declined a test for your child, they are to come back into school when their year group are due back in as indicated on the table above.

On the days students are going home after their test they can arrive in casual clothes, however, when they are staying in school after their test, they are to be in full correct uniform. House ties for existing students will be distributed by Tutors the first time your child is with them.

I hope you have had a restful summer and I look forward to welcoming back students in September.

Kind regards

Mr Steven Paddock  
Headteacher
