

Approach to Learning Statements		Skillful Learner	Response to Feedback	Business Subjects
Gold	2	I arrive punctually, fully equipped to work and with my planner and personal reading book	I actively seek feedback in lessons by asking good questions (not requesting the answer)	I play a leading role in group discussions. My questioning leads beyond the topic being studied.
		I show evidence of frequently revisiting work, by adding further thoughts to notes	I review and improve all written work in my exercise book where my teacher has provided written feedback	I am always looking to improve my assessment work, coursework and controlled assessments, and prepare hard for these.
		I maintain an exemplary class exercise book, workbook or folder	I complete targets set from assessments to help make rapid progress	I research in order to have an understanding of Business and Economic issues in the wider world
		I am always on task and I promote learning	I respond to verbal feedback in class and show lots of evidence of improvement as a result	I frequently look to link different business and economic concepts and not just view topics in isolation.
Silver	1	I arrive on time with correct equipment to work, planner and personal reading book	I often ask questions in class to help me understand	I play an active part in group discussions. I ask about topics from within the 'real' business world.
		I show evidence of revisiting of work, by adding further thoughts to notes	I review and improve most written work in my exercise book where my teacher has provided written feedback	I make use of a range of resources to assist my subject knowledge - internet research, textbooks, teacher feedback.
		I maintain a well presented class exercise book, workbook or folder	I usually complete targets set from assessments to help me make progress	I ensure I hit all deadlines for coursework task submission and prepare for tests thoroughly.
		I am usually on task and I regularly promote learning	I respond to verbal feedback in class and show some evidence of improvement as a result	I meet all deadlines set.

Home Learning
I record and complete homework set to a high standard, meeting the deadlines
I take opportunities, without prompting, to research beyond the work completed in class
I choose the most appropriate task to help me improve
I consistently improve on the tasks that I have completed where possible
I record and complete homework set, meeting the deadlines
I research, with some prompting, beyond the work covered in class
I sometimes choose the most appropriate task to help me improve
I sometimes improve on the tasks that I have completed where possible

Bronze	0	I am only occasionally late to lessons, and am equipped to work with my planner and personal reading book	I sometimes ask questions in class to help with my understanding	I ask questions which will help me with my coursework/controlled assessment.	I record and complete most homework
		I hardly ever add to the work completed in class	I respond to most of the marking and feedback given by my teacher	I do use interent research to aid my work, however I need to do this more frequently.	I rarely research beyond the work covered in class
		I maintain a well presented class exercise book, workbook or folder	I sometimes complete targets set from assessments	I get all coursework/controlled assessment work completed; but need to improve my timekeeping	I often choose homework that does not help me improve
		I am usually on task, but I sometimes disrupt learning	I sometimes respond to verbal feedback in class and sometimes have evidence of improvement as a result	I need to look how to improve my work - whether that be coursework or test scores.	I occasionally improve on the tasks completed where possible
U	-1	I arrive late to lessons, and I do not have the correct equipment, planner and/or personal reading book	I rarely ask questions in class to help with my understanding	I need to think more about the topics being covered and apply logical thinking to these.	I rarely record and/or complete homework
		I do not add to work completed in class	I rarely respond to marking or feedback	The coursework/controlled assessment I complete at the first attempt is never improved.	I do not research beyond the classroom
		I do not maintain my class exercise book, workbook or folder well	I rarely complete targets set from assessments	I turn up to lessons without the neccesary resources to be successful in the lesson.	I do not choose appropriate homework tasks
		I am consistently not on task	I do not respond to verbal feedback and have no/little evidence of improvement as a result	I have no idea what is going on in the business world around me.	I rarely improve on tasks completed
