

Approach to Learning Statements		Skillful Learner	Response to Feedback	Children's play & learning development
Gold	2	I arrive punctually, fully equipped to work and with my planner and personal reading book	I actively seek feedback in lessons by asking good questions (not requesting the answer)	I carry out extra research on the topic I am studying
		I show evidence of frequently revisiting work, by adding further thoughts to notes	I review and improve all written work in my exercise book where my teacher has provided written feedback	Unit 1 - I am completing past papers
		I maintain an exemplary class exercise book, workbook or folder	I complete targets set from assessments to help make rapid progress	I have handed in all my work on time with the corrections made whether it is coursework or Unit 1. I understand all keywords for the topic being studied
		I am always on task and I promote learning	I respond to verbal feedback in class and show lots of evidence of improvement as a result	I have read and understood the EYS framework
Silver	1	I arrive on time with correct equipment to work, planner and personal reading book	I often ask questions in class to help me understand	I carry out some extra research on the topic I am studying
		I show evidence of revisiting of work, by adding further thoughts to notes	I review and improve most written work in my exercise book where my teacher has provided written feedback	Unit 1 - I am starting to complete some past papers
		I maintain a well presented class exercise book, workbook or folder	I usually complete targets set from assessments to help me make progress	I hand in all my coursework units and completed to the best of my ability. I understand all the keywords for the topics being studied
		I am usually on task and I regularly promote learning	I respond to verbal feedback in class and show some evidence of improvement as a result	I have read the EYS framework and understand parts of it
		I am only occasionally late to lessons, and am equipped to work with my planner and personal reading book	I sometimes ask questions in class to help with my understanding	I only do a little bit of extra research.

Home Learning
I record and complete homework set to a high standard, meeting the deadlines
I take opportunities, without prompting, to research beyond the work completed in class
I choose the most appropriate task to help me improve
I consistently improve on the tasks that I have completed where possible
I record and complete homework set, meeting the deadlines
I research, with some prompting, beyond the work covered in class
I sometimes choose the most appropriate task to help me improve
I sometimes improve on the tasks that I have completed where possible
I record and complete most homework

Bronze	0	I hardly ever add to the work completed in class	I respond to most of the marking and feedback given by my teacher	Unit 1 -I have not looked at any past papers
		I maintain a well presented class exercise book, workbook or folder	I sometimes complete targets set from assessments	I am behind in completing my coursework or homework
		I am usually on task, but I sometimes disrupt learning	I sometimes respond to verbal feedback in class and sometimes have evidence of improvement as a result	I have not started to read the EYSF
U	-1	I arrive late to lessons, and I do not have the correct equipment, planner and/or personal reading book	I rarely ask questions in class to help with my understanding	I only use textbook and no extra research
		I do not add to work completed in class	I rarely respond to marking or feedback	Unit 1 -I have not looked at any past papers
		I do not maintain my class exercise book, workbook or folder well	I rarely complete targets set from assessments	I am behind in completing my coursework or homework and are in danger of failing the course.
		I am consistently not on task	I do not respond to verbal feedback and have no/little evidence of improvement as a result	I have not started to read the EYSF

I rarely research beyond the work covered in class
I often choose homework that does not help me improve
I occasionally improve on the tasks completed where possible
I rarely record and/or complete homework
I do not research beyond the classroom
I do not choose appropriate homework tasks
I rarely improve on tasks completed
