AIMS

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education’s (DfE’s) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

LEGISLATION AND GUIDANCE

This policy is based on the Department for Education’s (DfE’s) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). - Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

It also refers to:

- [School census guidance](#)

School admin staff

School admin staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system.

- Transfer calls from parents/carers to the Senior Attendance Officer/attendance champions where appropriate, in order to provide them with more detailed support on attendance.

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Pupils

Pupils are expected to:

- Attend every timetabled session, on time.
- Sixth form students must call the school to report their absence before 08:30 on the day of the absence and each subsequent day of absence.

RECORDING ATTENDANCE

Attendance register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 08:30 and ends at 15:00, Year 11 also have a P6 on Monday and Tuesday which means that their school day ends at 4pm on Monday and Tuesday. There are also P6 lessons for 6th form subjects.

Pupils must arrive in school by 8:27am on each school day.

The register for the first session will be taken at 08:30 and will be kept open until 09:00. The register for the second session will be taken at 13:00 and will be kept open until 13:30.

Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 08:30, or as soon as practically possible, by calling the school admin staff, who can be contacted via 01264 405060.

When a pupil is absent, and no contact has been received the school will:

- Contact parents before 9:30am
- Request a written explanation of the child's absence, If the parent has not contacted the Academy and/or the Academy has been unable to reach the child's parents through the first-day of calling.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 2 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised, and parents will be notified of this in advance.

Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment. A leave of absence form can be found at

<https://www.thewellingtonacademy.org.uk/attendance/>

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Poor punctuality is unacceptable. A pupil who misses the start of the day, misses vital tutorial time and preparation for the day ahead and may not get their registration mark. Arriving late to lessons is also, disruptive to learning and teaching and, again, the pupil may miss important explanations, instructions or tasks which prevent them from understanding the lesson objectives and making good progress in the lesson.

The Academy day begin at 8.30am and all pupils are expected to be in tutor time by that time, the student gate will shut at 08.27am.

The AM register is electronically taken by 8:30am and pupils will be marked as late if they are not in registration by this time. There are sanctions associated with this and Behaviour for Learning Policies should be referred to for further advice and guidance. Parents face the possibility of a penalty notice if this becomes a persistent problem.

If parents/carers are experiencing difficulty in getting their child to school, they should contact the Academy in order that a member of staff can assist and support them. The Academy's Pastoral Teams, Attendance Officer or Senior Leader will request to meet with the parent/carer if the Academy recognises that there is a problem with persistent lateness.

Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Contact the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact social care or the police, furthermore an unannounced home visit may be organised.
- Identify whether the absence is approved or not.
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: the academy will issue a notice to improve, penalty notice or other legal interventions (see section 5.2 below), as appropriate

Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels via a written report sent home twice per year. In addition, parents are able to monitor their child's attendance via the Arbor App.

AUTHORISED AND UNAUTHORISED ABSENCE

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as not typical, unusual, or extraordinary. Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday. The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence, and in accordance with any leave of absence request form, accessible via <https://www.thewellingtonacademy.org.uk/attendance/>

The headteacher may require evidence to support any request for leave of absence. If a pupil is over compulsory school age (e.g. sixth form), leave can be requested or agreed by the pupil or a parent they normally live with.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new

travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence. The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

STRATEGIES FOR PROMOTING ATTENDANCE

Encouraging and supporting good attendance is everyone's responsibility including parents, pupils and all Academy staff. The Academy will use the following strategies:

- a. Tutor Check Ins throughout the year;
- b. Display of Tutor Group attendance and termly prizes
- c. Group with the best attendance and an end of year reward;
- d. Reward assemblies;
- e. Letters home
- f. Various rewards and recognition for students with good or improving attendance

SUPPORTING PUPILS WHO ARE ABSENT OR RETURNING TO SCHOOL

Pupils absent due to complex barriers to attendance

Students are identified by tracking attendance fortnightly with Heads of Year and discussions are regularly had in relation to the background of the student.

When identified and the background and barriers identified support is put into place through –

- Work with the family engagement officer, including home visits to put a plan in place for the return to school, if appropriate. Use of Emotional Based School Avoidance Strategies (EBSA).
- Consistent communication with parents / carers to review the situation.
- Contact any external agencies (eg. CAMHS) that are working with the student to ensure a collaborative approach to planning for the student to return.
- Discuss adaptations to phase the student back into school. Any reduced timetable will be registered with Wiltshire County Council and reviewed every 6 weeks with the student and parent, tracking progress and working towards a full timetable.

Pupils absent due to mental or physical ill health or SEND

Students, as above, are identified by tracking attendance fortnightly with Heads of Year and discussions are regularly had in relation to the background of the student.

When identified and the background and barriers identified support is put into place through –

- Work with the family engagement officer, including home visits to put a plan in place for the return to school, if appropriate. Use of Emotional Based School Avoidance Strategies (EBSA).
- Consistent communication with parents / carers to review the situation.
- Contact any external agencies including medical professionals that are working with the student to ensure a collaborative approach to planning for the student to return.

- Discuss adaptations to phase the student back into school. Any reduced timetable will be registered with Wiltshire County Council and reviewed every 6 weeks with the student and parent, tracking progress and working towards a full timetable. Discussion to include the SENCO if absence related to the students specific SEN needs.
- All barriers to be discussed with the students Head of Year and teachers, where appropriate, to remove those barriers on their return to school.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

Pupils returning to school after a lengthy or unavoidable period of absence

Students are identified by tracking attendance fortnightly with Heads of Year and discussions are regularly had in relation to the background of the student.

When identified and the background and barriers identified support is put into place through –

- Work with the family engagement officer, including home visits to put a plan in place for the return to school, if appropriate. Use of Emotional Based School Avoidance Strategies (EBSA).
- Consistent communication with parents / carers to review the situation.
- Contact any external agencies (eg. CAMHS) that are working with the student to ensure a collaborative approach to planning for the student to return.
- Discuss adaptations to phase the student back into school. Any reduced timetable will be registered with Wiltshire County Council and reviewed every 6 weeks with the student and parent, tracking progress and working towards a full timetable.
- All barriers to be discussed with the students Head of Year and teachers, where appropriate, to remove those barriers on their return to school.

Staff trained in Emotional Based School Avoidance Strategies to assist with conversations around the return to school.

ATTENDANCE MONITORING

Monitoring attendance

The school will monitor attendance and absence data (including punctuality), weekly, half-termly, termly, and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

The Wellington Academy has granted access to its management information system so that the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to form tutors, to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence

- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

MONITORING ARRANGEMENTS

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by Local Governing body, Headteacher and Attendance Champion. At every review, the policy will be approved by the full governing board.
