Thursday 8th January 2026

Dear Parents and Carers,

We hope you all enjoyed a joyful and restful Christmas break, filled with special moments and quality time with family and friends. On behalf of the entire Wellington Academy team, I would like to wish you a very Happy New Year and extend a warm welcome back to all our students.

A particularly special welcome goes to those joining us for the first time this term. We are delighted to have you as part of our school community and look forward to supporting you as you settle in and thrive.

As we embark on the spring term, we are excited about the opportunities ahead for learning. This term promises to be full of enriching experiences both inside and outside the classroom, and we encourage all students to embrace these opportunities with enthusiasm, the new year is a great time to try a new club!

Please take a moment to review the diary and term dates included in this letter, which outline upcoming events and holiday dates.

We have recently updated our severe weather plan. In the event of significant snowfall, we will assess whether the site is safe to open by 7:00am and communicate this via email. The same information will also be on the home page of the school website. While we do not anticipate the school closing, should this be necessary, homework will be set via Arbor. For those students who are sitting external exams, we will do everything possible to ensure the examinations can still go ahead, this will be communicated separately.

Thank you for your continued support. We look forward to working together to make this a successful and rewarding term for all.

Kind regards,

Jennifer Moore
Senior Deputy Headteacher
