Friday 14th November

Dear Parents and Carers,

I hope this message finds you well. As we reach the midpoint of the term, I wanted to take a moment to share some reflections and updates from across our school.

This term has been full of energy and learning, and I am proud of the progress our students have made so far. Their enthusiasm and commitment to their studies, as well as their participation in extracurricular activities, continue to impress us all.

On Tuesday 11th November, we held our annual Remembrance Service, which was led by Reverend Peter Howson of Ludgershall and supported by our Combined Cadet Force. The service was attended by dignitaries from the local communities of Tidworth and Ludgershall, and featured moving contributions from students across all three Wellington schools. In preparation for the service many students took part in poetry workshops to create some fantastic pieces, a few were selected to read out during the service, this brought a personal and heartfelt element to what was a truly poignant and respectful occasion. I would like to express how proud we are of the exemplary conduct and respect shown by our students throughout the service.

As outlined in a previous letter sent prior to half term, we will be hosting a virtual parent meeting on **Tuesday 26th November** as part of a series of sessions involving external agencies. The first session, led by the Army, took place last week and was very well received. The upcoming meeting will be hosted by the school and as we anticipate a high level of participation, to ensure that everyone has the opportunity to engage, questions can be submitted via the live chat function during the meeting and will be addressed as part of the discussion. A link to join the session will be shared with you closer to the date.

Looking ahead please check our Diary Dates section for upcoming school events, more details will follow for each of the events listed, so please keep an eye on our social media pages for updates.

Finally I would like to thank you for your continued support in strengthening a strong and collaborative school community.

Warm regards,

Jennifer Moore

Senior Deputy Headteacher
